Step 5: Known Issues / Limitations

S.No	Known Issue / Limitation	Workaround / Status
1	High latency during initial cold-start on Render free tier deployment.	Resolved upon sending initial health-check request; production upgrade planned.
2	Gemini API rate limits on free-tier API keys when generating large batches of copy simultaneously.	Implemented client-side exponential backoff and retry mechanism in backend service wrapper.
3	Direct social media auto-posting currently limited to preview mode.	Full OAuth posting integration planned for upcoming update.
